

# Toys for Tots

December 2009 “A Season of Giving”

AgStar and team members donated over \$4,000 and toys to 'Toys for Tots' programs this holiday season.

“We regularly donate to area community charities to help fulfill essential rural and agriculture needs”, stated Paul DeBriyn, president and CEO of AgStar, “but in the eyes of a child, a new toy during the holidays is just as much of a necessity.”

AgStar collected gifts from team members to provide toys for children living in their local areas. In addition, the AgStar Fund for Rural America matched the \$2,000 financial contributions from team members. The contributions were spread throughout AgStar’s service area.
